Our mission Statement

Our mission Statement means, every second
every minute all the time, we do 'Our best for
God. You should not judge a book by
it's cover, we must treat people equally
otherwise we will be unfair for every-one
and even for your own Self. You
must respect others opinions, you should
care for others just like CAFOD
Love everyone and every-thing in the world
Be always ready respect and safe!

This is a beautiful description of
what it means to you.

Mission Statement Day.
'Always our best for God
each other and ourselves.'
For me, our mission statement
means doing our best for: God
each other and ourselves.
I will show this by spreading
the word of God and making
the planet a better place.

Always our best for God each other
and ourselves
For me our mission statement means
