REFLECTION

What could you share with others?

**“I urgently appeal, then,
for a new dialogue about
how we are shaping the
future of our planet. We
need a conversation
which includes everyone,
since the environmental
challenge we are
undergoing, and its human
roots, concern and affect
us all.”**

A prayer for COP26

Loving God

You are present in the whole universe, and in the smallest of creatures.
We all have a part to play in looking after the earth.
May the Holy Spirit inspire all political leaders at COP26
as they make decisions for the planet and its people.
Give them the courage to think of fairer solutions
for the poorest and most vulnerable people,
so that every nation cares for our common home.
Amen
